23. (Unclassified - LLM) In follow up to my conversation on 17 July with John Lawton, Congressional Liaison, Civil Service Commission, a representative of the Commission's Pay and Administration Office called concerning the Fair Labor Standards Act amendments and advised that while the House passed bill has no significant impact on Federal employees, the Senate version does represent a problem and that it is quite possible that if it prevails that might be a possible cause for veto.

24. (Confidential - LLM) Delivered to Jim Woolsey, General Counsel, Senate Armed Services Committee, Volume III of "Documentation Provided by CIA." Woolsey was quite harassed and did not have an opportunity to review the material and it was agreed that we would get together later to review the sensitive supplementary material which we wish to handle on a briefing basis only.
